Mission and Brief Profile of ACS Athens:

ACS Athens is a student-centered international school, embracing American educational philosophy, principles and values. Through excellence in teaching and diverse educational experiences, ACS Athens challenges all students to realize their unique potential: academically, intellectually, socially and ethically -- to thrive as responsible global citizens.

ACS Athens is one of Greece's most distinguished English-speaking schools. It is a non-profit institution educating students from more than 50 nationalities. All instruction occurs in English. The school provides ESL English language support services and special learning support to students with mild learning differences (dyslexia, ADD/ADHD etc.) through its Optimal Match Learning Center and High Performing Student (HPS) support program.

ACS Athens offers its graduates an American high school diploma, accredited by the Middle States Association of Colleges and Schools. Students in grades 11-12 may also earn the International Baccalaureate Diploma or individual IB course certificates in a non-Diploma program. The school also offers selected Advanced Placement (AP) courses.

Well over 90% of our graduates attend colleges and universities (many at highly selective schools) in the United States, Canada, Europe and other countries.

The academic life of the three-school campus (Elementary, Middle, Academy) is complemented by extensive opportunities for participation in arts, music, theater, forensics, a highly competitive athletics program as well as in a variety of service, social and cultural activities that enhance students' civic responsibility, spirit and leadership qualities.

Given this description of the school's goals, you understand why ACS Athens seeks self-motivated students who are strongly committed to learning and who are capable of taking advantage of the opportunities we offer. We will appreciate your candid appraisal of the applicant named above.
